District Goals

Springfield Public Schools is committed to the growth of every student. We believe all students can and will learn. Summative reports provide important feedback on the system's success. Our areas of growth continue to reinforce our strong practices, high quality curriculum and key community partners who are actively engaged in our students' success. Supporting our skilled teachers through professional development, updated curriculum and invaluable wrap around services continue as our key areas of focus in the coming year.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.
